## *Gehring Hall*

After a busy week of classes and school activities, the girls of Gehring Hall welcome the calm atmosphere of a Saturday afternoon. Saturday is the day of relaxation for the girls, for after starting the day at nine o'clock and the traditional room inspection at ten, they have the rest of the day free. Let's see how they relax.

As we start our tour on third hall, we hear the gay tune of Sue Rock, practicing her trumpet while Pam Perkins tries to study her play lines. Moving down the hall we see in the next room Caroline Seavey writing one of her "endless letters", as Mary Ann Royal and Janet Hill are in fits of laughter, watching Betsy Webster perform one of her famous "interpretations!"

Across the hall we see Carol Bilderback surrounded by scads of newspapers, looking for the latest basketball scores. What do you do with them all, Carol? Strange sounds lead us to the room of Sandra Allen and Betty Krzywicki, who are in a fast game of canasta. On-lookers, Ella Stevens and Judy Payson cheer them on.

May the better man win!

As we proceed down the hall, we see Anne Williamson perched on her bed, reading one of her letters while almost in a daze listening to Betty Vinton, playing a tricky tune on her organ. Betty has a portable organ in her room.

Well, what do we have here? Skiers!! Energetic Sally Burns, Hilda Andrews and Freda Gammon are headin' for the hills. Have fun, girls, and be careful of those skis!

As we look in on Margarey Dallinger and Carol Young, we see Margery sitting amidst a pile of records and Carol gaily beckoning to us to come in. Carol is noted in the dorm for always having a smile for you.

Is that Elvis Presley we hear? Must be, for Jane Carver is an avid fan of his, as can be seen by his pictures around the room. While Jane is in a trance over Elvis, Debbie Appleton sits and stares out the window, dreaming of the next time she will be at Wildcat.

As we move out into "Sophomore Alley", we see Louise Kennedy and Debbie Hammond, leaning out the window trying vainly to see the hockey rink! The violent sounds from Jean Corey's room indicate that she is busy preparing for the next debate. Leaving the Alley, we see the attractive room of Helen Miller. Helen is busy working on leather for the seat of a stool.

Going down the back stairs to second hall, we meet Carol Annett and Carol Brown, who are just on their way back from up town, laden with cookies and pop!

Venturing into the first room on this floor of juniors and seniors, we see Sara Fullum and Judie Dolliver dodging around trying to reach the closet. You'd never know they passed inspection four hours ago!

Moving around to the main hall, we see Pat Probst knee-deep in books, trying to keep ahead of the game.

Joyce Gilman and Debbie Dolliver are discussing the latest happenings on campus while in a sea of papers from an empty desk in the corner. Moving down the hall into the next room, Peggy DeLand is engrossed in her chemistry while Gigi Gorab, her roommate is counting the days until next vacation period.

Across the way Sally Webber is filling her scrapbook with more memories, and Joan Smith is carefully reading the instructions for that new sweater. Nancy Buckminster, who is a frequent visitor, is sprawled on the bed, writing her "daily" letter. They are all being entertained by Sue Badgley, modeling the ideal lounging outfit.

Mary Jasper is faithfully knitting on that sock. Hope you get it done for that certain day! Sue Appleton is bouncing from mirror to mirror, trying to get a new hair-do. Their usual visitor, Sue Alexander, is keeping Mary company doing the fancy cable stitch.

Walking quietly down into "Senior Alley", we hear the new record by Ricky Nelson. Looking into Sue Dennison and Meredith Bennett's room, we see Pat Philbrook and Meredith showing Sue the new "bop" step!

Over the booming of the record player, we are able to distinguish bangings and scrapes coming from the vicinity of Jan Hague and Judy Watson's room. It can't be . . . but it is, they are changing the room around again! As we are leaving, we are halted by the voices of Laurie MacPherson and her roommate. Laurie is bidding her adieus with iron in hand as she heads for the laundry room while her roommate selects one of her favorite records by Ray Conniff.

Entering the main hall again, we meet Joan Fox, Beth Brown, Sue Martin, and Janet Smith as they return from the butt room, giving their rendition of the latest popular songs.

In the corner room Pat Hill, Sally Hancock, and Betsy Hackland are in fits of laughter as Betsy reads a famous poem!

Sandy Cole and Deede McCann are looking out the side window to see the bus of skiers drive off to a winter wonderland and wishing they could be with them.

As we finally move downstairs, we see Alison Ernst and Sue Brown running towards the laundry room to get that weekly washing and ironing done, a common activity on Saturday in the dorm.

Now as our tour draws to an end, we would like you to meet Mrs. Goggin, our house mother, who deserves a great deal of praise for living with these girls and sharing in their joys and sorrows. I am sure she will agree with us when we say each girl is a wonderful addition to the dorm, and we couldn't get along without any of them. They are all tops and well worth knowing!

## *Holden Hall and Farnsworth House*

Now, a few weeks after mid-year exams, we enter into Holden Hall for our annual and most interesting tour. Venturing down the hall, we first come upon the library in which John Hill and Bruce Hunter, the two expert pianists, are giving most enthusiastically their usual concert of "Chopsticks".

Leaving these harmonious strains of music, we progress into the beloved hang-out of the freshman, the pool room, from which emerges a tumultuous roar. It seems that a vicious argument has arisen between Ralph Merriam and Nort Fowler over the eight ball! Henry Hinman and Jon Latti watch with glee as Glen Whitehouse and Harry Brown look up with disgust from their intense game of checkers.

We leave this place of unrest and enter the room of Brian Scothorne, who is bouncing to one of Elvis' latest hits while Stephen Groves silently lies on the bed engrossed in a sport's magazine.

Going back up the hall, we duck into the abode of Bob Beith. As usual we find Bob eating a piece of cake and guzzling a bottle of Coke while listening to the seventy-fifth playing of his new demonstration record of stereo-sound.

Turning now to the left, we penetrate the sacred home of the sophomores, Sophomore Alley. The first inhabited room we step into is that of Jim Weston, who has apparently been struggling for hours to get loose from his handcuffs. Jim is grunting something about a hacksaw. Remember, Jim, Houdini wasn't famous in a day!

The next room we step into is that of Peter Mendall, who is constructing with enthusiasm a booby trap for Gary Hill; may the better man win!

We continue straight down the hall into the room of Bill Call and John Kelley. John and Dick Graves, an habitual visitor,

reminisce over their previous day's skiing and over those stretch ski pants—wow!

Turning left, we approach the bailiwick of Gary Hill, the clown of the alley, who is giving his latest impression of Jerry Lewis while onlookers, David Hawkes and David Ayers are roaring with earth-shaking laughter.

We now ascend the stairs to the kingdom of the upperclassmen. Woe to the freshman who trods on this hallowed ground!

Moving straight ahead, we come upon Royden Ward, lying on his bed, chuckling over his latest joke book. What fools these fellows be who study, ay Royden?!

Progressing down the hall to the next room, we look in upon Sam Appleton and Pete Swallow, who are in the midst of a wild argument over who will sweep the floors when Saturday rolls around. Cheer up, boys there is a ski trip coming up this weekend!

Entering a very popular room of the dorm, we find George Elliot and his associate producer, Bob Allen, broadcasting the current hits over Gould's only radio station, WGA, 1450, on the dial, the station that satisfies these requests from the lonely hearts of Gehring Hall.

In the double room at the end of the hall, Newt Ferris and Paul Collins are found comparing the bruises, scratches, cuts, and hurt feelings which were received in the weekly hockey game on the school rink. "Coach" Ferris remarks that it's all in the game anyway.

Rooming next to Newt is "The Man of a Thousand Faces", Bill Kinsman. As usual, Dave Marsh, pro photographer, is capturing Bill in another one of his fantastic poses.

The next room belongs to that man from Vinalhaven, Bob Bennett. We find Bob quietly dozing and thinking of his hamlet on the rocky coast while chords of "Drink! Drink! Drink!" echo from his victrola.

Reversing our direction, we wander way down to the hall to the left to the abode of Alex Foster and Dave Lombard. Dave is pecking away at his trusty typewriter, either writing letters or practicing the alphabet. His roommate, Alex, is racking his brain trying to think of a safe way in which to get the puck around Newt without getting knocked out with a hockey stick!

Next we see Clarkson Edwards dreaming of the hills and dales of his beloved home, Henneker, New Hampshire. Beside Clarkson is his trustful roommate, John Phinney, attempting to wake him up with whacks from the soft end of a broom, reminding him that it's time to wait on.

Greg Shapiro is found in the next room, declaring war on his roommate, John Cole, who apparently tied Greg's pajamas in knots. John has evacuated the premises for the time being.

Ambling up the hall, we come upon two of the quieter boys, Jeff Newsom and Paul Calef. Paul seems to have the problem of falling quite often while schussing the slopes; Jeff tries to cure his fault by demonstrating to Paul the right technique. While doing so, Jeff stubs his toe in the door; that's what you get for trying to help some one, isn't it, Jeff?

Turning to the left now, we stumble upon the room of Kirk Newsom and Steve Karpowich. Kirk is applying first aid to himself as a result of a wound inflicted by a straight razor which he used in haste; better use a safety razor next time. Meanwhile, Steve is mumbling something about growing a mustache. You boys had better hire a barber!

Last but not least we enter the room of Del Webster and Gary "Muscles" Aluisy. Amid screeches and helpful grunts from Steve Watson, Pete Karpowich, John Cole, and Del, Gary, with an expression of extreme strain and torment, manages to elevate his eighty pound bar-bell twice up to his nose while Stan Clark awaits with anticipation the "crash!" when the bar-bell strikes the floor. Cheer up, Gabby, the Olympics aren't far away!

Having completed our tour of the upper level, we descend to the smoke-filled butt room, where Whitney Austin supposedly stupifies Norm Gardner and John Berge-son with vivid description of his home, "Clamflat City", while the evil Bob Weston chuckles quietly to himself as he pre-pares a "hot foot" for the unsuspecting Whitney!

We leave the upper dorm and go down to visit the realm of Farnsworth, where five seniors and two outnumbered juniors make their home.

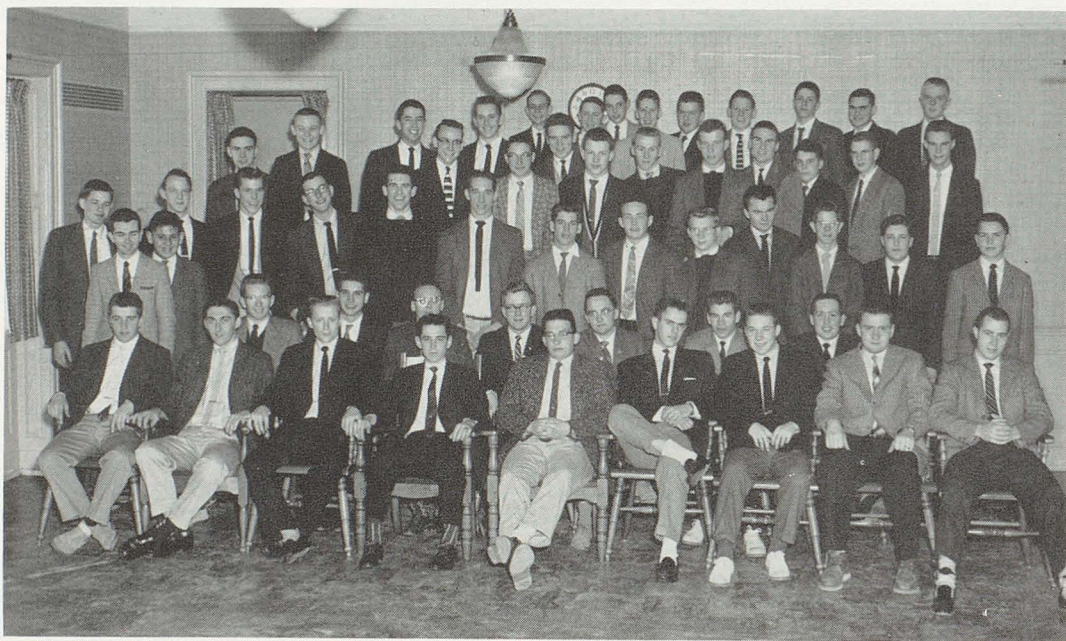

Stepping in the door, we turn directly to the right and find in Jim Linnell's room Jim and Lin Small. Jim is trying to per-suade Lin that track is much more enjoy-able than striking to no avail at a tiny white ball with a piece of wood. However, Lin seems to think in the opposite direc-tion and threatens to show Jim how much harm a baseball bat can do!

Venturing into John Vinton's room, we see that he is, as usual, sleeping away the hours to Brahms, which softly flows through the air. Suddenly he leaps out of bed because of an ear-shattering ex-plosion caused by a paper bag which John Todd has "accidently" exploded. He says he had to wait on anyway.

Going down the hall, we see Ben White and Steve Yeaton arguing violently over the mysterious disappearance of the cookies. While they are fighting it out, Fred Dallinger silently sits munching on the goodies with a diabolical twinkle in his eyes.

Thus ends the annual tour of the boys' dormitories. In years to come, one will find similar people passing the time away in the same manner. Be sure to visit us again!

*Student Council*

The Student Council is an advisory organization designed for the purpose of serving as a means of contact between the student body and the Headmaster. Representatives to this group are first nominated by a designated committee and then elected by popular vote. Together with their faculty advisor, Mr. Brewster, the members try to work out various problems concerning the school.

Among the principal objectives are the promotion of school spirit, loyalty, and good citizenship. Also, the Student Council handles such matters as sponsoring the fund-raising for charities, furnishing programs for the morning assemblies, choosing the cheerleaders, and selling tickets at athletic events. Two important events

sponsored by the Student Council are the Christmas Formal and Parents' Day. The Council's approval is necessary before any portion of the Student Activity Fee is appropriated for non-budgeted sums.

The officers elected last fall are as follows: President, Judy Watson; Vice-President, Linwood Small; Secretary, Mary Jasper; and Treasurer, Fred Dallinger.

A member is selected each year to represent the Student Council on the Athletic Council. This year's representative is Judy Watson.

### *The Blue and Gold*

When the *Blue and Gold* awoke from its summer slumber in early September, it found itself to be sixteen years old and facing another year of wide circulation to alumni, interested friends of Gould, and to other schools, some as distant as Denver, Colorado.

The *Blue and Gold* staff, this year under the co-editorship of seniors Linwood Small and Ruth Willard, both of whom have worked indefatigably to make the paper the success it has been, is again indebted to Mr. David D. Thompson for his continuous efforts and advice in the publication of the *Blue and Gold*. His many years of educational work and professional writing have helped Gould's *Blue and Gold* escape the trite gossip columns and other rather worthless material

often found in school papers. We owe our thanks also to David Marsh and Donald Christie for the photographic contributions. Their excellent work was under the supervision of Mr. Gayle Foster, the faculty advisor of the Camera Club. Without the Camera Club's contributions, the paper would lack many of the fine photographs we have been able to present to our readers.

A column "Seniors Worth Knowing" has been a favorite this year and has carried the stories of the various members of the senior class. Also, the faculty members who were new at Gould in September were introduced by brief personality sketches, which helped parents and students to become better acquainted with them.

We have been fortunate in having a large participation on the reportorial staff and on the business administration committee. The editors have been very much pleased with the cooperation they have received from staff members and feel that as well as being an asset to Gould Academy, this cooperation has benefited many individuals.

Fine editorials have appeared on current situations both on and off campus. Many have aroused sufficient interest to make

noticeable changes in situations that have been rather needy of change. We owe much to the *Blue and Gold* for maintaining a high school spirit and morale.

Our sincere thanks again to all who have contributed their time and cooperation, and our best wishes to the *Blue and Gold* on its sixteenth birthday.

### *Musical Activities*

This year the William Rogers Chapman Club started auditions a little earlier in the fall in order to prepare for their annual March concert. The concert was an enjoyable variety of classical music with a light touch.

The first appearance of the three glee clubs — Freshman-Sophomore Girls, Junior-Senior Girls, and Varsity Chorus — was at the Parents' Day program, where they did a fine job on their respective numbers. They sang equally well at the May concert and for the graduation exercises in June and at the Christmas Vespers. This beautiful candlelight service was broadcast over WRUM in Rumford, Maine.

The Gould band branched out and grew in number, adding much to the football

games in the fall, where their colorful marching exhibitions were enjoyed, and entertaining royally at the basketball games during the winter months. We also took part in the Spring concert and later marched in the Memorial Day parade.

Many active members of these musical organizations were privileged to take part in the second annual Independent Schools' Music Festival, held this year at North Bridgton, Maine.

These groups have worked hard to keep up Gould's high musical standards, and we think they have done a good job. To Mr. James B. Owen, our musical director, we extend our gratitude for tireless and exacting leadership.

*French Club*

The officers of the French Club for the year 1958-59 were: President, Fred Dalling; Vice President, Mary Jasper; Secretary, Nancy Buckminster; and Treasurer, Laurel McPherson. Congratulations are extended to these officers who have done much for the improvement of the club.

Meetings are called every other Wednesday by the president and they have been many and varied. The members have enjoyed the programs ranging from just the discussion of pertinent business to a visit by Helene Carter, who displayed her collection of Santons figurines, depicting the people of Province, France.

During the Christmas season, small gifts were exchanged with French verses attached, and refreshments were served. French Christmas carols were heard pleasantly resounding throughout town as the group sang merrily on a cold, wintry night.

The main event of the year was the annual French Club party based on a theme of Parisian atmosphere. The members spent much time in preparation to make this gala event a success.

The French Club picnic is another annual event which closed out a wonderful

year of French Club activities. Members roam through the woods, cook over a fire, and have a tremendous time.

Bucci, our French teachers, and also to the sponsors of this wonderful club.

Many thanks to Mr. Auger and Miss

## *Arts and Crafts*

About fifteen girls have been meeting in Holden Hall this last school year to try their skill at moulding a drab piece of clay into an ash tray, mug or other piece of pottery and later to develop their skill on some pieces of jewelry. Every Thursday the enthusiasts can be seen leaving Study Hall at the start of eighth period, heading for the boys' dorm, where they work until five o'clock.

After the clay has taken shape and is thoroughly dry, the girls paint designs on their pieces of art.

When the classes terminate, the proud owners will be able to carry home their finished products, paying only a small charge for the materials.

After one successful year under the tutorship of Mr. Owen, it is hoped that the classes will continue for many years hereafter.

## Camera Club

Throughout the year some representative has been present and busy taking pictures of nearly all school activities. Many of our members have learned a good deal of practical photography by helping operate the cameras, developing equipment, printers and enlargers to make activity prints. Final prints are sold for scrapbook material and furnished to newspapers and other publications.

Every issue of the *Blue and Gold* has carried Camera Club photos, and you can see that the ACADEMY HERALD has four full pages of snapshots and "Who's Who" and many team pictures made by this busy club. The 5 x 7 prints of activities sold to the students give us our main financial support. These are made by member groups working various afternoons.

Regular meetings take place in the lecture room on alternate Tuesdays. The first meeting elected officers for the year —

President	Donald Christie
Vice President	Pat Probst
Secretary	Marjorie Morton
Treasurers	Sue Badgley and Whitney Austin

Our great variety of programs this year has included instruction meetings with demonstrations of printing, developing, toning, and portraiture. Movies and slide talks have helped us understand composition, what pictures to take, and given us tips on film and paper types and how to attain print quality.

One meeting was to show the results of a "Match the Master" print contest. Members had received identical negatives of an industrial subject and were told to make the best possible print with attention to composition and print quality. The members voted on the prints they liked best, and several received prizes of dark-

room equipment. First prize went to the print made by Judy Dolliver and Robert Weston.

Many small group informal meetings were held to observe good photo lab. methods of mixing chemicals, enlarging, and finishing prints. Instruction was given on several camera types, as we have the use of two view cameras as well as a "press" camera with focal plane shutter, range finder, and flash gun. Don Christie, Dave Marsh, and John Bergeson have made good use of this training to take many pictures at games, meets, and other school events.

The view cameras have been used to take dozens and dozens of portraits and special compositions for our June exhibition. Members taking part in these activities have gained much experience in the use of modern cut films and good darkroom procedures.

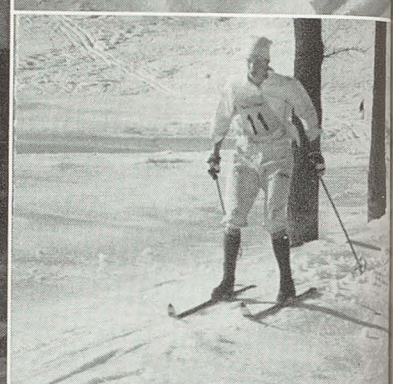

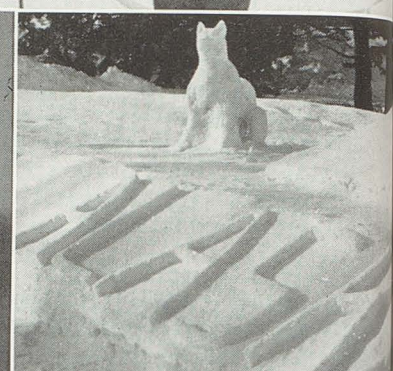

The darkroom has been unusually busy this year, with members working there most afternoons and week ends. Several workers have made splendid progress. The work of David Marsh has been outstanding, and he is fast becoming an expert. He has spent hundreds of hours learning photography, helping with club work, and aiding and teaching other members.

As usual there will be two showings of prints in June. At Holden Hall there will be a large exhibit of the work of Camera Club members and open house in the darkroom. At Hanscom Hall will be hung a special guest exhibit for all to enjoy.

All of this could not have been possible were it not for the steady loyal work of the club officers and the professional advice and teachings of our advisor, Mr. Gayle A. Foster.

President	Evelyn Winslow
Vice-President	Nancy Davis
Secretary	Dixie-Lee Brown
Treasurer	Sylvia Benson
Historian	Gloria Childs
Parliamentarian	Charlotte Westleigh
Reporter	Louise Lincoln
Song Leader	Melvina Learned

This organization was fortunate to have Evelyn Winslow serve as chairman for District E at the convention in Rumford last fall and have Dixie-Lee Brown elected for next year. Also Meredith Bennett was elected to serve on the State Delegate fund committee.

Under the able leadership of our president, Evelyn Winslow, and adviser, Miss Whitney, a great deal of effort was put forth on our two chapter goals, home and school beautification and furthering international good will.

Also a lot of work was done on home safety, understanding our neighbors here and abroad, better family relations, and making Maine gem jewelry. Weekly meetings were held in each class under the leadership of Loretta Blake for the freshmen, Virginia Mason for sophomores, Sandra Lapham for juniors, and Barbara Sprague for seniors.

## *Dramatics*

When one mentions dramatics around Gould Academy, the first person that comes to the mind of a Gould student is Mr. Thompson. For seventeen years he has come forth with at least two evenings of superb entertainment a year. Mr. Thompson takes a group of strictly amateur students and makes them look and act like professionals.

On Friday night, February 27th, Mr. Thompson presented the annual one-act plays. "Now is the Time" was presented first. Walter Bingham (Linwood Small) refuses to run for Senator on the Republican ticket if his opponent is a woman, namely Cora Reeves (Lorraine Cole). The family maid, Rose (Pam Perkins), and the romance between Kate and Charlie (Mary Jasper and Mark Freeman) don't help matters. Madge Emery (Gail Gorab) manages to spark Lucy, Walter's wife (Marjorie Morton) into running in her husband's place. However, as things wind up, Charlie runs against Walter, and all ends well.

"This Way to Heaven", a fantasy, was presented next. It seems that Mr. Flanagan (Steve Yeaton) was sent from Heaven to take back Gram Wilson (Sally Hancock). They wanted her to be a cook "up there". Gram is getting ready for the marriage of her grand-daughter June (Sharon York) to Charlie Baker (George Elliott), a local reporter. Mr. Flanagan, after getting a few signals crossed from Heaven, goes back to Heaven empty-handed. June and Charlie get married. The voice from Heaven (Mr. Thompson) adds to the suspense.

For the last play we saw "How to Propose". The lecturer (Don Christie) showed us how to propose and how other generations did it. From the scene with the cave man (Greg Shapiro) and cave woman (Laurel MacPherson) we see how it was done long ago. This consisted of

a few glub, glubs. Don then showed us how a desperate father (Gary Hill) can get rid of a desperate daughter (Elizabeth Waldron). Their prey is Mr. McBean, a timid sort of chap (Steve Yeaton). The so-called hi-fi society is represented by Sandra Allen and Mark Freeman. With a language all their own they get the point across. Butch (Nort Fowler) and Cookie (Donna Rice) represent a tough teen-age couple in some large city. With rugged words they get "ketched" as it is called. Elaine (Dixie Lea Brown) with sneaky moves and fast talking gets our lecturer.

The loud and enthusiastic applause at the conclusion of the one-act plays showed that the audience, as well as the casts, enjoyed the performances. Our stage manager, Kirk Newsom, and his helpers did a fine job backstage.

The Senior Class play was the last of the dramatic presentations at Gould this year. Mr. Thompson selected "Nuts in May" by Cornelia Otis Skinner. This is a comedy in three acts. The play was presented May 8th. The plot deals with an actress and her opening night. The funny experiences encountered makes an amusing and enjoyable play. Among the large cast of sixteen we have: Laurel MacPherson, Linwood Small, Steve Yeaton, Lee Grover, Pat Philbrook, Jewel Bean, Greg Shapiro, Marjorie Morton, Jane Greig, Pat Jackson, Betsy Chapman, John Vinton, Sue Appleton, Gail Goreb, Mark Freeman, and Larry Cummings. This cast of actors and actresses presented a wonderful performance. The play was thoroughly enjoyed by all. Kirk Newsom and Ruth Willard did fine off-stage work.

Once again we thank Mr. Thompson, who made our successes possible.

### *Debating Club*

Under the guidance of Mr. Vinton, the debating coach, a debating club was organized this fall at Gould Academy.

Shortly after its organization, the members cast their votes, and the following officers were elected: President, Jim Linnell; Vice-president, John Cole; Secretary, Stan Clark; Treasurer, Peg DeLand.

The meetings held every other Thursday, consist of discussions on debating techniques and formal debates.

On Friday, November 7, five members accompanied Mr. Vinton to a series of discussions and a debate at a debating clinic at Bates College. The topic was Resolved: That the United States should adopt the essential features of the British school system.

A debate was held in an assembly on November 20; this time the topic was that the United States should defend the Quemoy and Matsu islands even if a war might result.

There are hopes that Gould will be represented in the state debate and public speaking contests to be held this spring.

After this year, filled with mistakes natural to beginners and many noteworthy achievements, here's looking forward to another year even more successful than this.

## Football

At the first practice session, with only a week before opening game, one of the largest Husky squads reported to Head Coach Scott and Assistant Coaches "Joe" Roderick and Paul Kailey. One week later an inexperienced but enthusiastic squad journeyed to Lisbon Falls, where they were edged out 14-13.

On the following Saturday a more polished team battled against the South Paris Cardinals at the new Paris High School. After a scoreless first quarter the Blue and Gold eleven forged ahead when quarterback Doug Rice sprinted 70 yards for a touchdown on a punt return. When the half time whistle blew, the score was still 6-0 in favor of Gould. In the third

period both the Cardinal and Husky defenses held strong. Then in the final period, Captain Al Sumner bucked over from the two yardline with the insurance touchdown. The try for extra point was successful when L.H.B. Fred Dallinger broke through the line for a rush play. The score remained 13-0 with Gould handing South Paris their first defeat in three starts.

The third game of the season was played at the Norway Fair Grounds. In this game the Huskies couldn't seem to muster the necessary steam for a victory and were defeated 19-6. Gould's only touchdown was made in the third quarter on a 72 yard off-tackle jaunt by L.H.B. Fred Dallinger.

On Parents' Day, October 11, Gould played host to an old rival, Lyndon Institute, in a hard fought gridiron duel which ended in a 7-2 victory for the Huskies. The two teams battled to a scoreless tie at half time. However, in the third quarter the Gould eleven marched 68 yards with Captain Sumner plunging over from the one yard line into pay dirt. L.H.B. Guy Burnham successfully carried the pigskin through the opposing line for the final point. The invaders got their 2 points when they broke through the Gould line and blocked a kick, giving them a safety.

The Gould squad was thrown for a 40-7 defeat on their home field by one of the best teams ever to come out of Bridgton High School. In the first quarter the Huskies rallied to the challenge of the Blackhawks' initial score with a 70 yard scoring drive. However, they didn't succeed in getting their offense clicking again during the rest of the game. This was the worst beating that the Huskies took all year. However, the team benefitted from it and revealed what they had learned the following Saturday when they met Mexico on Alumni Field.

The highly favored Mexico Pintos couldn't seem to halt the Huskies aerial attack which gave the Blue and Gold a 19-0 win. Captain Sumner completed five out of six passes to speedy R.H.B. Pete Swallow, three of which went for touchdowns. On the ground the Pintos made eight first downs compared to four for Gould. However, they never seriously threatened the Gould defenses, making most of their yardage in mid-field. L.E. Steve Karpowich and L.H.B. Dave Marsh did fine jobs on defense.

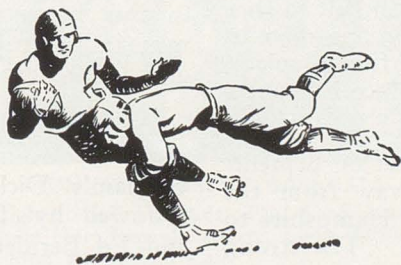

Gould brought its 1958 season to a close by defeating an old rival, Fryeburg Academy, 21-0 here at Alumni Field. The Blue and Gold eleven grabbed the ball on the opening kick-off and didn't surrender it until after scoring on a 70 yard drive. Fryeburg then proceeded to do the same thing. However, they were stopped by the Husky defensemen before they had a chance to score. In the second period the Huskies tried an aerial offensive. It proved very successful with Captain Sumner throwing a 52 yard pass to R.E. Larry Cummings for the second Gould touchdown. Before the whistle blew at half time, the Huskies had ground out another seven points, and the half ended 21-0. The second half proved to be strictly a defensive battle. Neither team succeeded in penetrating the other's territory to any extent and the ball remained in midfield for the rest of the game.

Under the excellent coaching the team steadily improved, turning out a 4-3 record plus four honorable mention All-Staters. They were Captain Al Sumner, R.H.B. Peter Swallow, L.G. Newton Ferris and L.E. Steve Karpowich.

The seniors who will be stepping out of the limelight are F. Captain Al Sumner, L.E. Steve Karpowich, L.T. Eric Wight, L.G. Newton Ferris, R.G. Greg Shapiro, L.T. Ozzie Mills, L.G. Peter Baker, R.G. Whitney Austin, R.H.B. Bob Weston, R.E. Larry Cummings, C. Gary Aluisy, L.E. Kirk Newsom, and L.H.B. Fred Dallinger.

We wish next year's team, led by Captain-elect Doug Rice, the best of luck and a winning season.

## Cross Country

Gould's X-country prospects looked good for the 1958 season, as only one letterman had been graduated. Around the nucleus of six returning lettermen and several veterans, the Huskies built a winning team.

On the home course on September 25, Gould staged its first meet. We soundly trounced Fryeburg with a low score of 17 to the visitors' 45. Gould grabbed the first three places in the persons of Jeff Newsom, Ed Bernier, and Bob Felt in that order. Fryeburg, with only one man in the first seven, notched a fourth place. Captain Tim Carter, Fred Lincoln, Rupert Grover, and Stan Clark followed.

At Gould's first away meet on September 30, the Huskies ran away from the Kennet High squad in New Hampshire to the tune of an 18-44 score. The strong

Gould team displayed its abilities in grabbing five of the first six places. Gould's Ed Bernier snapped the tape and was followed at a distance by Jeff Newsom. Kenet's Taylor placed third, but Bob Felt, Tim Carter, and Stan Clark followed to insure a win.

On October 7, a powerful Portland High team handed Gould its only loss of the season. Three Portland men tied for first place as they ran with a 17-41 score in this home meet. Gould placed two men in the top seven in Don Angevine and Jeff Newsom.

At Gorham, Gould eked out a one point squeaker from Gorham High School. Gorham's Dick Shiers won in 14:06, followed by Tim Carter, Jeff Newsom, and Ed Bernier, respectively.

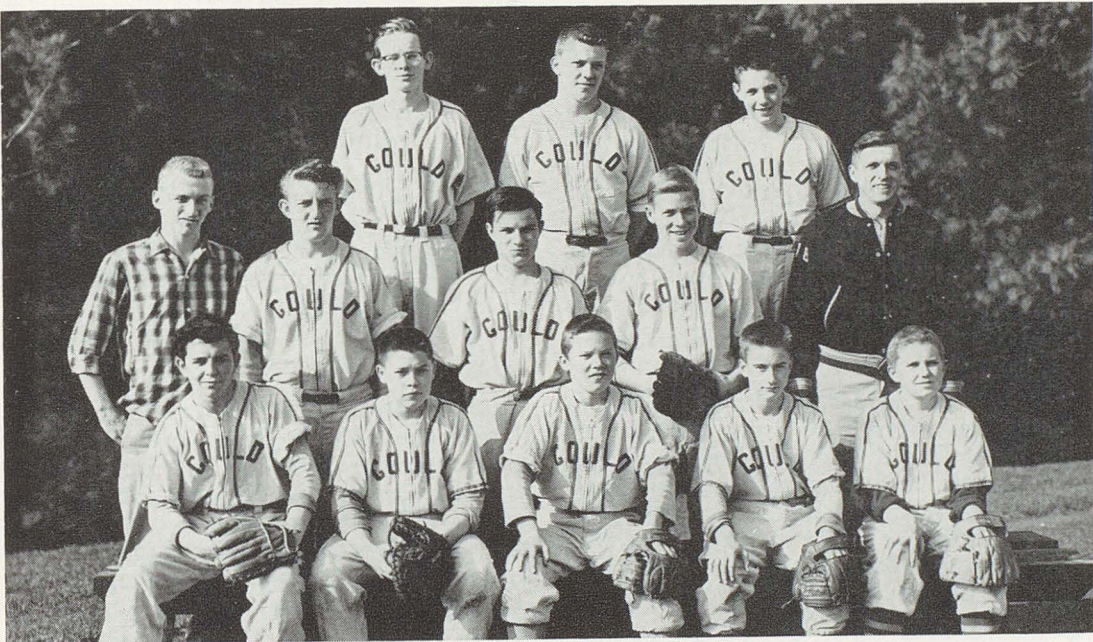

On October 21, Gould scored its third win of the season over Hebron Academy at Hebron. Tim Carter won handily, trailed by Jeff Newsom and Hebron's Stearns. Fred Lincoln nabbed fourth place, followed by Stan Clark, Bob Felt, and Bob Allen to post a 20-38 score. The Jayvees made it a clean sweep as they were victorious by a 25-34 score. John Cole, Steve Yeaton, Paul Calef, Del Webster, and Lin Felt ran the first five places for Gould.

Gould ended its 1958 X-country season with a final triumph at Orono. Out of nineteen teams, Gould came out on top in an unprecedented tie in the State Champ-

ionships. Sumner and Gould both finished with 144. Don Angevine finished fourth out of 133 runners. Newsom, Carter, Lincoln, Felt, Clark and Allen followed in that order. Ed Bernier was unable to run because of the mumps. The course was very wet and slow. There were several inches of water in places.

Medals were given to those who ran in the State Meet and a plaque was presented to the school. It was a very successful season, and, with most of the lettermen returning, it looks as though next year will be as good as this one.

## Baseball

The strong and determined Gould baseball team enjoyed in 1958 one of its best seasons in recent years, compiling an eight-win, two-loss record to grab the Western Maine Conference pennant. With a smaller than usual turnout at the beginning of the season, Coach Bowhay built a fine, well-balanced team, which was able, more than once, to pull out on the long end of a squeaker.

Only a few days out of the cage, where practice had been held since the last of March, the Gould team met Stephens High of Rumford in a practice game on April 19 and went on to an 11-8 victory in eleven innings. The extended game was not occasioned by a tie but by a mutual desire to get in as much play as possible before the regular season. Gould jumped off to a four-run lead in the first frame, finishing its scoring by the fifth inning. Rumford never seriously threatened to close the gap.

In their first game on the following Friday, April 25, the Huskies scored a 6-5 win over the traditionally tough team of Dixfield. Al Sumner went all the way in this game, which was terminated at the end of seven innings due to the weather. It was in the last of the seventh that Ricky Cummins singled home Ted White and Al Sumner from third and second with none out to cinch the game.

One week later, Gould traveled to South Paris, where the pennant-bound Huskies shellacked the hosts, piling up nineteen runs on eleven hits in this seven-inning game while Al Sumner, his control nearly perfect, allowed only two runs on four hits, striking out nine and walking none in the process. Bob Felt had the big hit of the day, a triple, with Lin Small, Pete Wheeler, and Steve Watson pulling off Gould's first double play of the year.

Monday, May 5, found Gould at Frye-

burg for a non-league game with this traditional rival. Starting in his first game of the season, Bill Black stopped the opponents completely with his wide-breaking curve, backed up in the meantime by his teammates, who pulled off three double plays and manufactured eight runs from thirteen hits. Again Bob Felt hit the big blow, this time a home run.

Having been rained out of a game on a previous date, Gould and Norway met in a double-header on the Gould campus on Friday, May 9. Al Sumner was nominated to start for the Huskies in the first game and as usual did a fine job, holding the visitors to two runs while his teammates laid down a barrage of hits to pile up a total of nineteen runs, Ricky Cummins and Lin Small each contributed a home run to the cause.

The second game was of an entirely different color, however. Norway greatly tightened its defense and held the hosts to only six hits, Gould coming up with the deciding three runs in the sixth inning, making the score 5-1. Up until the seventh, Bill Black had held the Norway team in check, but tiring in that inning, he needed help from Al Sumner, who locked the door after three runs had crossed the plate, giving the Huskies a 5-4 victory.

Journeying to Bridgton on Tuesday, May 13, with a four-win, no-loss record, the Gould team kept its winning streak intact as it overpowered Bridgton High 5-1. Al Sumner, the workhorse of the Huskies, went the distance in this seven inning contest, striking out ten and allowing only two hits and three walks. The only two necessary runs were scored in the third, but three insurance tallies were later added, two in the sixth and one in the seventh.

One week later Gould suffered its first defeat, 2-1, at the hands of the scrappy Dixfield team. Al Sumner again pitched a beautiful game, but his effort was more than equalled by Dixfield's Jerry Marble, who allowed only two hits to the Bethel club, which scored its lone run on a walk to Ted White and a double by Rick Cummins. The deciding blow for Dixfield was

Robinson's home run in the last of the eighth.

The next day Gould climbed back on the winning trail with an 8-0 victory over the Mexico Pintos. The Huskies opened up in the first inning with a five-run barrage, which proved to be more than enough to assure Bill Black a victory. Bill extended the visitors no leniency, allowing only three hits throughout the seven-inning game.

In their second non-league game with Fryeburg on Friday, May 23, the Huskies had a much tougher time than before, just squeaking out a 4-3 victory. Fryeburg grabbed an early lead, with a lead-off home run and two more scores in the third. In the last of the third Gould scored its first run, then picking up one tally each in the fifth, seventh, and eighth innings. Dick Saunders sprinted across home plate with the winning run while the Fryeburg club, disputing a call, left the plate unguarded. Al Sumner, relieving Lin Small in the seventh, was the winning pitcher.

Back in conference competition again, on Monday, May 26, the Huskies scored a 10-4 victory over South Paris, Al Sumner getting the win. Paris jumped off to a first-inning 2-0 lead, but Gould during the course of the game, gradually built up an overpowering margin which the South Paris team was unable to overcome.

The next day in the return match with Bridgton at Gould, the Gould team, after a slow start, broke the game wide open with a four-run third inning, going on to win, 11-4. Bill Black, the winning pitcher, allowed twelve hits but only one walk while striking out ten. Doug Rice had a home run in this game, which assured the top berth in the Western Maine Conference to the Huskies, as the nearest team, Dixfield, had already lost three with only one game remaining.

Traveling to Mexico two days later with all the pressure of competition off, the Huskies lost the final league game to Mexico by a score of 8-4. Al Sumner started, Bill Black taking over in the

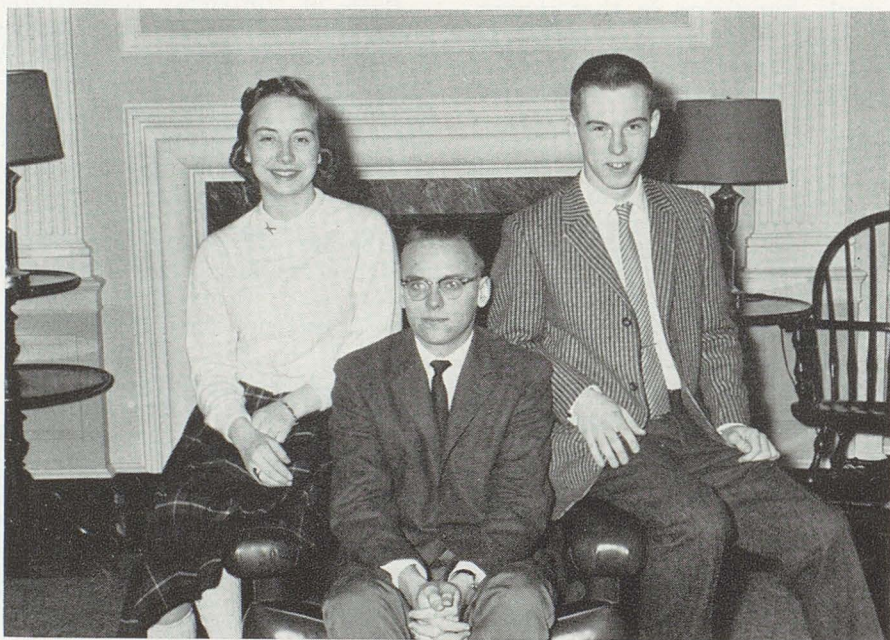

fourth. Although getting men on base almost every inning, the Huskies were unable to come up with the hits necessary to win.

A week and two days later it was June 7, Alumni Day, in the afternoon of which could be seen some of Gould's former star players competing with the new Western Maine champions. The Alumni put up a good fight, being, in fact, the first to score as they cashed in on a walk and an error in the second inning. However, the Gould Huskies showed the stuff that made them the champions, getting a run in the

third on a walk to Doug Rice and successive singles by Ted White and Rick Cummins; two more came in the sixth on two errors, a walk, and a double by outgoing captain, Jim Hill. The game was terminated at the end of the first of the seventh, the final score being 3-1.

Thus appropriately ended the 1958 baseball season for Gould and its championship team. In the balloting which followed the game, the players chose Lin Small to captain the 1959 team.

## Track

The coming of spring heralded another track season for the Gould Academy thinclads. The coaches, Mr. "Joe" Roderick and Mr. Scott, worked hard to get their squad of forty-one aspiring lettermen and six returning letter-owners in shape for the first meet of the '58 season with Rumford and Mexico on April 27. The newcomers to the cinder circuit learned early that their success in track depended upon their individual effort and not upon the rest of the team. Just how is track different from other sports? To begin with it brings in a wide range of abilities which run from the flashing, fleet-footed sprinters to the muscled grace of the high jumpers and pole vaulters to the explosive power of the weight men and to the gliding stamina of the long-distance runners. The track spectator can always find something to

hold his attention among the various events.

The opening meet of the season found Gould traveling to Rumford for a triangular meet. Under terrible weather conditions the Huskies piled up 73 points to 34½ for Stephens High and 13½ for Mexico. Leading the team was Guy Whitten, a triple winner in the high jump, low and high hurdles, with a total of 15 points. Also taking first places were Angevine, Grover, Cummings, Murphy, and Carter.

On May 2nd, the Gould thinclads met with Oxford and Farmington on home ground. The team showed their strength by sweeping the meet with 81 1/3 points to the Greys' 56 2/3 and the Eagles' 5. Guy Whitten totaled up 18 1/3 points with two firsts and a tie, and Nichols took

the shot and the discus. Gould's cinder-men took eight out of thirteen events with the added performances of Weston, Grover and Christie.

On May 10, Gould was host to Cony High in a dual meet. The powerful Huskies easily outdistanced their competitors by a score of  $78\frac{1}{2}$  to  $40\frac{1}{2}$ . Again leading his team to their third straight victory was Guy Whitten, who collected 18 points. Holding the visitors to only three firsts were Cummings-discus, Grover-mile, Nichols-shot put, Weston-440, Angevine 880, and Christie-220.

On May 17, the defending class M state champions of Winslow High arrived at Gould for a dual meet with the undefeated Huskies. The ensuing battle was undecided until the final event of the afternoon, the 880. Winslow picked up the sought-after points to hand Gould their first defeat by a score of 60 to 57. Winslow took seven first places to Gould's six. Whitten was high point man with 19 points, and Johnson of Winslow was close behind with 15 points.

On May 24, Norway, Mexico, Oxford and Fryeburg traveled to Gould for the Oxford County Class M Meet. Gould proved to be a powerful contender for the state championships coming up soon by cutting down all opposition with a total of 75

points, leaving Norway 23 points behind with 52. Following Norway were Mexico  $22\frac{2}{3}$ , Oxford  $12\frac{5}{6}$  and Fryeburg Academy  $9\frac{1}{2}$ . Guy Whitten spurred the Huskies on by breaking the field record in the high and low hurdles. Whitten broke the tape at 16.9 sec. for the highs and 15. sec. for the lows. Taking firsts for the Gould thinclads were: Ide-discus, Ordway-shot put, Angevine-880, Carter-440.

In the dim light of dawn on the morning of May 31st, the Gould trackmen rolled towards Colby College in Waterville and the Class M State Championship Track Meet. Guy Whitten showed the way to victory by sweeping the hurdles, winning the high jump and taking second in the broad jump. Gould and Winslow battled it out until the final event of the meet, the 880. Larry Cummings picked up fourth place and victory for Gould, for Winslow failed to score. Gould squeezed out the championship by a close score of 44 to  $42\frac{1}{2}$ . This made the ninth state crown that Gould trackmen have captured in the last twelve years. Picking up valuable points for Gould in other events were Angevine-2nd, mile; Ide-1st, discus; Nichols-4th, shot put and discus; Cummings-5th, discus; Karpowich-tie for 3rd in pole vault.

## *Skiing*

As this year's skiing season came around, nobody was too sure as to what Gould would produce for a team. At the 1958 graduation we saw most of the lettermen leave for other campuses, never to ski for Gould again. The three lettermen who did come back were Don Angevine and co-captains, Pete Karpowich and Sam Appleton. We did suffer some pleasant surprises from the freshman class. Two boys from this class, Nelson Smith and Guy Burnham, have shown great talent this year and promise to improve. After several mishaps, the final team comprised Sam Appleton, Pete Swallow, Steve Karpowich, Pete Karpowich, Fred Lincoln, Don Angevine, Guy Burnham, Bill Call, Nelson Smith and Peter Davis.

Gould's first meet was with Holderness School of New Hampshire on January 10. This was a particularly hard day on the

teams because all four events were run on the same day on our slopes. Another complication, namely College Boards kept several of Holderness' boys home. The boys hit the sunny slopes early that morning, and after one or two practice runs climbed to the top of the downhill trail to wait in anticipation for their turn. The slalom was also run in the morning, and at noon Gould was in the lead. In the afternoon Gould pulled farther ahead in the jumping and cross-country and came out on top at the end of the day.

The next meet scheduled was one with Lyndonville, Vermont, and was staged to take place there. Due to very disappointing weather this meet had to be canceled. This rain seemed to be a prelude to the unhappy conditions and weather to come for several weeks afterward.

As Friday came around again, we wondered whether or not we would have to cancel another meet. This one was the long-time challenge of the Edward Little Winter Carnival, to be held at Bridgton and Auburn. The downhill and slalom were really thrillers. In the first of these two, Bower of E.L. grabbed first; Pete Swallow took a second. The slalom run was what skiers call a "hairy one", and the result was that not one standing run was made all day. On the Gould team one boy lost a binding and another had a disqualification, having only three times that counted. As nightfall came, our men went home to rest up for the Nordic events to take place the next day. When the results came out, Gould was fourth and E. L. had won. The other teams competing, were Berlin, Rumford, Fryeburg and Farmington.

Next Gould went to Conway, N. H., to have a three-way meet with Kennet and Laconia. The cross-country was held Friday afternoon and the other two events on Saturday. All the Gouldites out for skiing got a chance to compete, and it was a great day for gaining experience. Mendall, Swallow, Call, Appleton, and Karpowich all had good runs in the slalom. There was no downhill. Gould won the jumping, and the totals showed Gould victorious.

On February 6 and 7 the 1959 Maine State Interscholastic Championships were held on Gould's slopes. Competing in this meet were Gould, Edward Little, Bridgton, Rumford, Fryeburg and Mexico. Because of poor snow conditions the Alpine events had to be held at Bridgton. Bower of E. L. won both events, but Swallow was only a tenth of a second behind him in the downhill. As the sun set, E. L. was first and Gould was

second with Rumford right behind them. Angevine got a third in the cross-country; he was beaten by Bower and Jodrey, both of E. L. Thanks to Mr. Meyers' well-organized crew, everybody knew the results soon after the jumping. Edward Little had won and Gould came in second. Now we were eligible for the New England's.

The following weekend, Gould went to pound the slabs out at Conway, New Hampshire, for the big meet—the New England's. On Friday the downhill and cross-country were held. The Gould men had some bad spills in the downhill and by the ending of the day hadn't racked up any tremendous amount of points. Saturday the slalom and jumping were held, the first at Cranmore Mt., and the second at Intervale. The slalom course was quite icy, and Gould seemed to have trouble with it. The final scores showed Gould to be fifth in New England.

This seemed to be a very unlucky year for Gould in many ways. The most outstanding bad luck was the injuries the team suffered. Fred Dallinger had to leave because of a serious break he received during downhill practice. In forerunning a downhill Pete Mendall lost his edging and collided with a sign. He was seriously hurt, but soon after the injury said he would be skiing by spring!

Much thanks is due Coach Paul Kailey for the patient guidance he has given the team, and the results can be seen in the steady improvement through the season. Since Gould is losing only Steve Karpowich, the only senior on the team this year, they should look forward to an outstanding year next year, and the team should really clean up.

## *Basketball*

Basketball was at a low ebb this year at Gould Academy as the Huskies won only one while losing twelve. It was purely a building year with four juniors and only one senior composing Coach Berry's first five. The spirit and ability were there, but there was always something missing, making victory hard to obtain. The lack of consistent scoring from the individual players hurt the Huskies a lot.

The squad showed a lot of promise early in the season. There were four close and exciting games before Christmas with Bridgton, Norway, Mexico, and Farmington. Even though we lost, everyone was looking for better things to come after Christmas vacation.

However, things became worse after vacation. A classy Old Orchard team romped 50-36; then Bridgton, Mechanic Falls, Norway and Farmington trampled

the Huskies by one-sided scores.

Mexico was Gould's only victim as the boys squeezed through 42-40. For once the locker room was filled with noise and laughter after the game.

South Paris followed but they were too strong, winning 61-49.

The finale proved to be the most exciting game of the year; St. Pat's took this one 52-51. This game featured a squad of high-spirited seniors playing hard in their last game for dear old Gould.

Coach Berry certainly has good prospects for next year. Returning will be Bill Kinsman, Steve Watson, Dave Stowell, Doug Rice and Pete Wheeler. Coming up from this year's J. V. team are Alex Foster, Dick Ramage, Dave Lombard, and John Kelly. These boys will probably all see some action next year.

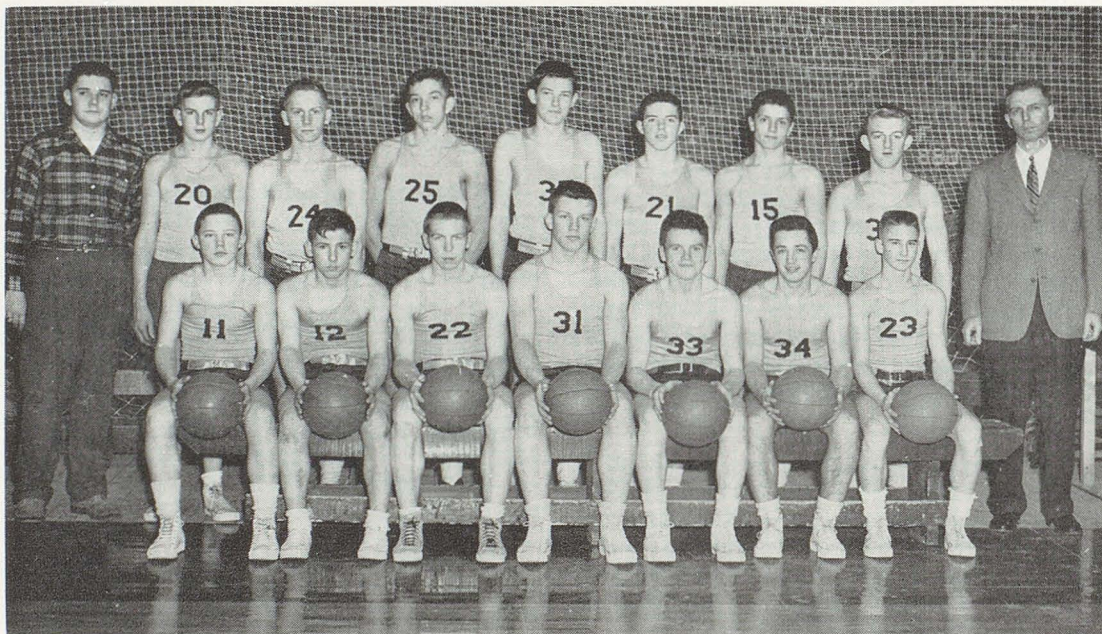

Graduating this year are Larry Cummings, Al Sumner, Bob Felt, Tim Carter, and John Cole. Clarkson Edwards will not be returning because of ineligibility.

Coach Bowhay's J. V.'s had a poorer than usual season, winning three out of twelve. Some of these games were quite thrilling, and the crowd always enjoyed watching this well-coached team.

## *Girls' Physical Education*

Another year of sports has come to a close. For the seniors it is their last year of Gould Academy sports. We have, however, some very capable sophomores, juniors and new seniors to carry on. New talent will undoubtedly be found in the new freshman class.

Sports this year got off to a good start with hockey in the early fall months. The weather complied with our wishes and was sunny and fair most of the time. Tennis and archery also were enjoyed by many in the fall days. Many ambitious students received points for after-school hiking and overnight or weekend trips. Bike hikes were included in this too.

On Parents' Day weekend we were very proud of our girls' teams. For the first time in our three years of competitive sports played with Kents Hill, we were

able to boast of a complete victory. We won all three contests in hockey, tennis, and archery. After the games the Girls' A. A. sponsored a cook-out, with the Kents Hill players as our guests.

When the cold weather moved in, we entered volleyball in class and bowling after school. We also, for the first time, played volleyball with Stephens High. Our freshmen and sophomores played against theirs. We won one game and they won the other.

Cold weather and snow brought out the skiers and skaters. Our girls' ski team was very active during the winter months. For the first time since the girls' team was organized, they competed in the state meet at Andover and placed second. The ski team also went to Kents Hill.

After an enjoyable Christmas vacation basketball practice began. Basketball lasted from the first part of January through February. We played our usual game with Kents Hill. We had some fine teams this year. There were many participants in the class intramurals.

At the close of the basketball season, our apparatus was set up—the trampoline, rings and the horse. These were followed by badminton and ping pong.

With the weather permitting we again moved out-of-doors for softball, spring tennis and archery.

At intervals during the year we covered physical fitness tests. The ranking this year covered four areas. Included were the written test, class attitude, posture,

and skill. All of the teachers graded us on classroom posture this year and submitted their reports to Miss Duffy.

The participation on the whole this year was excellent. The freshman class may boast of the highest participation per student this year. We all congratulate them. The ratio per student for each class was as follows:

Freshmen	3.90
Juniors	3.89
Sophomores	3.80
Seniors	3.19

Thus ended another rewarding year of sports under the capable direction of Miss Duffy.

## *Boys' Physical Education*

With his gym classes Mr. "Joe" Roderick has broken the monotony of each school day during the 45 minute period. Anyone who has had a couple of years with "Joe" (most of us have) has left Gould with a little more muscle and confidence in himself.

"Joe" breaks his time up by mixing what we like to do with what we need to do. By doing this sort of thing, "Joe" can work in a great variety of activities for his classes. One day you may be listening to a lecture on trapping or gun safety and the next day be taking one of the semi-annual strength tests.

The gym program changes as the seasons warrant. In the fall there will always be the two laps around the track and the marching drill. At least twice a week in place of the drill we will play touch football or soccer. When the cold weather rolls in, around November, the classes retreat to the "inards" of the field house. Everyday there are the laps and the calisthenics, but now as the winter progresses, our gym activities include apparatus work, tumbling, the "tramp", and basketball.

Just as the snow starts to thaw, the most popular and exciting gym classes begin. There are always the laps to run, of course, but now the class is divided equally into two teams which play softball against each other daily. When at last the snow has dispersed, class once more moves outdoors, and softball is continued to the end of the year.

This year "Joe" has gone into the art of self-defense a bit more extensively. The best way to build a boy's self-confidence is to give him a little time either in the ring or on the mats with someone near his own weight and ability.

Twice yearly strength tests are performed on everyone taking gym. These are used to trace one's physical development through his high school years at Gould. They measure a person's lung capacity, grip, arm, leg and back strength. The results are proportional to one's age, height and weight.

"Joe" works closely with all of us. He speaks our language and understands just what boys growing up need and want. When one of us ventures to stray from the path of "Joe's" order, he shortly becomes the victim of one of "Joe's" reknowned cramp makers.

Summing it up, "Joe" has earned the respect and admiration of everyone who has come in contact with him. He knows every boy in the school by his first name and more likely than not, he knows much more than that about him. He has been our friend and he has done much to give us a challenging and rewarding physical education.
